**To the Executive Committee & Members
Simon's Town Civic Association.**

Independent Review of the Simon's Town Civic Association's Financials for the year-
ended 31 December 2018

I have reviewed the accounts of the Simon's Town Civic Association for the year ended 31st December 2018 plus supporting documents as presented to me by the Treasurer and I am satisfied that all expenses are supported by relevant back up documentation, all monies received have been banked into the Associations bank account & that all direct payments into this bank account have been correctly recorded / allocated

In my opinion the statements of income and expenditure together with the financial position as at 31 December 2018 accurately reflect the financial position of your Association at this year-end.

A G Roberts

Honorary Accounting Officer
