

The Deputy Mayor invites you to the exhibition of the

URBAN PLANNING AND DESIGN DEPARTMENT

PROGRAMMES & PROJECTS

Are you a member of any City Improvement District or any Rate Payers' Association, CBO or NGO or working in property development and urban management?

Join us and meet some of the city's town planners, architects, urban designers, landscape architects and construction management workers. This exhibition contains examples of current, approved and successfully completed projects and how the city is working towards increasing the ease of doing business in the property development sector.
