**RE: Letter of Thanks – Rehabilitation of Simon's Town Main Road**

Dear Executive Director **Dalene Campbell**

The **Simon's Town Civic Association** would like to thank you for the recent rehabilitation of the Simon's Town Main Road. The upgrade was sorely needed. The community wishes to express its **gratitude** for the work that has been done to date.

As an association, we understand that projects of this magnitude are expensive and can be difficult to manage, however, your teams have done an **excellent job** in ensuring that the necessary work was carried out as swiftly as possible.

The changes to the road layout have been met with great enthusiasm and will lead to a safer town for all road users. These necessary and long overdue changes have been well received by the residents.

It would be appreciated if you could convey our thanks to the officials and team involved in planning and executing this **vital work** to keep cape town moving.

Yours sincerely

*Simon Metcalfe*
